REGULATORY COMPLIANCE STATEMENT FOR FOOD MATERIAL AND ARTICLES

We,

Zahabiya Chemical Industries

declare that the composition of the product identified as:

Zahabiya Nozzle Lining Compound-010
Tin Can Sealing Compound

in its rational application is in compliance with the positive list of the following regulation for the contact of materials and articles with food

United States FDA 21 CFR 175-300 (b) (xxxi)

It is understood that the control of the compliance of final product realized with our material with the regulations above mentioned is fully under your (consumer) responsibility. The product must be used as directed in the individual product data under its thorough consultation and is linked/associated with our disclaimer "Important Notice" for the consumers.

Yours faithfully,
For Zahabiya Chemical Industries,

Production In Charge Chemist
(Mr. Ali Mustafa Zaidi)

Quality Control Chemist
(Mr. M. Tausif Samar)
